

# Directions to the branch office in the „Tectrum“ ZBT - The Hydrogen and Fuel Cell Center

## By Public Transport

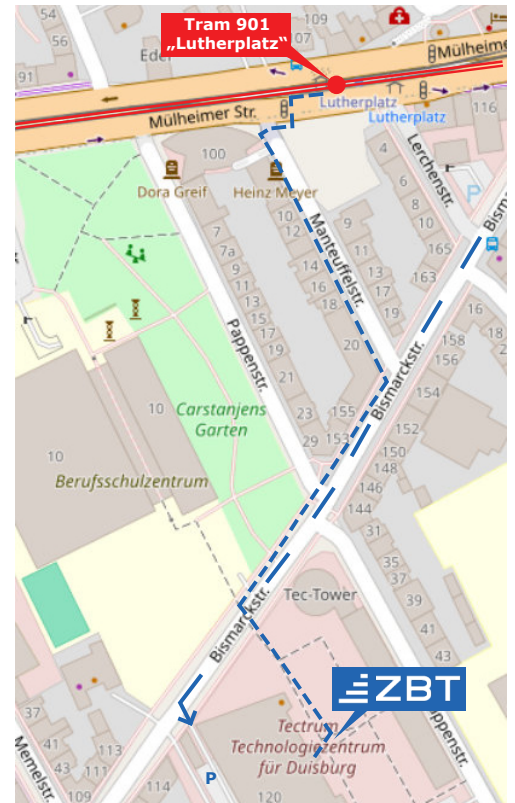

### From Duisburg Main Station

From Duisburg main station, take tram 901 in the direction of Mülheim/Ruhr to the 'Lutherplatz' stop. Turn left next to the building with the curved glass facade („Haus der Wirtschaftsförderung“) into Manteuffelstrasse, then turn right into Bismarckstrasse. Tectrum is on the left-hand side.

Journey time: 2 min + footpath

### From Düsseldorf Airport (DUS)

Take the SkyTrain from the terminal to Düsseldorf Airport station. From there take a train to Duisburg main station, then continue as described above.

## By Car

Navigation device (note: enter with postcode and/or district „Neudorf“!):  
**Bismarckstrasse 120-142**  
**47057 Duisburg-Neudorf**

From the A40 and A3 motorways, take the Duisburg-Kaiserberg exit at the Kaiserberg junction. Turn left after the exit. Then keep diagonally right in the direction of Duisburg-Zentrum and turn right onto Mülheimer Strasse. After approx. 2 km turn left into Bismarckstrasse. Tectrum is on the left-hand side.

Car parking spaces are available.  
Access via Bismarckstrasse.
